Unrivaled battery life

Wireless cleaner

Easy to use

Simple interface located directly on the top of the robot.

Built-in Wi-Fi module

Control your device remotely with the Moov App.

3D memory mapping

Thanks to its sensors and internal pool mapping, the 3D navigation memory technology allows the cleaner to reduce pool cleaning time by up to 60%.

DC-Inverter Control

Self-adaptive inverter technology to control current variations.

Unrivaled battery life

Up to 8 hours of autonomy with a single charge!
